Charged Particles for Cancer Therapy CP4CT

The screenshot shows the Charity Commission for England and Wales website. At the top left is the charity's logo, a crown with a cross. To its right, the text reads "CHARITY COMMISSION FOR ENGLAND AND WALES". On the top right, there are language options: "English" and "Cymraeg". Below the header, there is a navigation bar with a link to "Log in to online services" and a search icon. The main content area features the charity's name "CHARGED PARTICLES FOR CANCER THERAPY" in large, bold, white letters on a dark blue background. Below the name, it states "Charity number: 1207617" and "Recently registered".

Objects

The relief of sickness and the preservation of health of those diagnosed with cancer by:

- Promoting research for the public benefit in aspects of cancer treatment and publishing the useful results;
- Providing grants to support other bodies or to individuals to support the delivery of the organisation's purposes.
